

# SMALL BUSINESS INNOVATION RESEARCH

## HEAR DIRECTLY FROM THE ARMY CUSTOMERS

In this virtual event, you will hear from Army technical experts for three Army SBIR contract opportunities in pre-release, representing \$4 million in funding, to understand the technology priorities and associated Army R&D solicitations. Join the virtual Army Reverse Pitch event to hear directly from the Army customers – the programs of record – about the solutions they seek and how your company could receive funding to **further develop your technology**.
