## SUPPLY CHAIN OPPORTUNITIES CONFERENCE

### Supply Chain Conference Coming Up In February

Our most popular event is happening in Portland on Thursday, February 16th from 9:00AM - 2:30PM (with a Pints & Professionals networking event the night before). Through a combination of presentations and roundtable discussions, this Supply Chain Opportunities Conference is designed to help companies develop new knowledge, new contacts, and most importantly, new business. This is a unique opportunity for manufacturers to hear from primes/OEM about their supply chain needs. In addition, several roundtable discussions with other peer manufacturers create a unique opportunity for making connections and increase sourcing within the Pacific Northwest.

- Meet Northwest Primes and Tier 1 Suppliers
- Establish New Relationships with Northwest Manufacturers
- Increase Local Sourcing and Develop Strategic Partnerships
- Discover Resources to Increase Efficiency and Grow Your Business

**Two Opportunities For Global Exposure**

## AUSA Annual Meeting October 9th - 11th, 2023

Share a booth with PNDC at the AUSA Annual Meeting and expand your outreach and connections with military and security advisors from across the globe.

The Association of the United States Army's Annual Meeting is the largest land power exposition and professional development forum in North America. Taking place over three days, the Annual Meeting is designed to deliver the Army's message by highlighting the capabilities of organizations and presenting a wide range of industry products and services.

Location: Washington, DC

## DSEI

## September 11 - 14, 2023

DSEI brings the defense manufacturing supply chain together with the world's key military specifiers, influencers, buyers, and end-users. For over 20 years, DSEI features exhibits in aerospace, land, naval, security, and tactical equipment, welcoming over 1,700 exhibitors and 36,000 visitors annually.

PNDC has arranged an exclusive HUB for small businesses in Washington and Oregon. These turn-key exhibits give a limited number of companies a low cost opportunity to expand outreach and build connections with military and security buyers from across the globe.

Location: London, England

## MEMBER SPOTLIGHT

One of PNDC's longtime supporters, Northwest Aerospace News Magazine, has an exciting year ahead. This organization is dedicated to sharing stories about the Pacific Northwest's industry-leading aerospace community and the innovation that continues to inspire. Northwest Aerospace News Magazine partners with a number of military entities to highlight the latest developments affecting our communities. NWAN magazine will continue to identify through association with the numerous aerospace networks and associations in the Northwest region, leading companies that support the aerospace manufacturing industry.

In their planned six issues per year they will feature articles that shine a spotlight on companies who are exceptional in new technology, best manufacturing practices, and superior performance.
