MEMBER NEWS

PNDC CYBERSECURITY HELP

Members and non-members do you need help with cybersecurity – contact PNDC! PNDC continues to actively collaborate to assist with emerging cybersecurity requirements from the Department of Defense and for supply chain flow-downs. Thanks to our partners at Impact Washington, Oregon Manufacturing Extension Partnership (OMEP), Business Oregon, and Washington Department of Commerce we have been able to arrange support for cybersecurity consulting and workshops for dozens of members. To find out more about these programs and other benefits of being part of the PNDC community contact membership@pndc.us.

2021 PNDC SCHOLARSHIP APPLICATIONS - OPEN!

As part of PNDC's commitment to addressing our member companies' workforce issues, in 2017 we created the PNDC Scholarship Fund. Member Company employees and children/dependents of PNDC member company employees are eligible - including High School seniors in either Oregon or Washington; current or previous military experience members; life-long learners wishing to continue their education; or members pursuing continuous education and workforce training within STEM. Applications are open now and due May 31, 2021.

DOTs AVIATION MANUFACTURING JOBS PROTECTION PROGRAM (AMJP)

\$3 billion available soon for eligible businesses hurt by the pandemic to help cover employee compensation costs for up to six months

The AMJP program, created under the American Rescue Plan, will provide funding to eligible businesses to pay up to half of their compensation costs for certain categories of employees, for up to six months. In return, the business is required to make several commitments, including a commitment that it will not involuntarily furlough or lay off employees within that group during the same period. The maximum amount available for this program is \$3 billion, one percent of which will be applied to program administration.
