US Navy Challenge: Autonomous Detection of Marine Mammals

In Partnership With:

U.S. NAVY CHALLENGE: AUTONOMOUS DETECTION OF MARINE MAMMALS

The US Navy is seeking innovative technologies to help protect marine mammal species. As maritime traffic density and the use of unmanned vessels increases, current manual methods used to detect these identified marine species are not as effective. The Seeker is looking for technological solutions to enhance the real-time detection of Killer whales or North Atlantic Right whales. Do you have an idea? The winning solution will win no less than \$50,000!

[A recording of this last week's Launch Meeting](#) is now available as well as [instructions for submission](#). For more information about the challenge, to submit a solution, or register your interest please go to: <https://www.innocentive.com/challenge/us-navy-challenge-autonomous-detection-of-marine-mammals/>. Reminder: Submissions to this Challenge must be received by 11:59 PM (US Eastern Time) on 31-Mar-2022.

PNDC 2022 EVENT SCHEDULE & SPONSORSHIP OPPORTUNITIES

We are pleased to release our 2022 sponsorship opportunities! Consider taking a leadership role in PNDC programs and sponsoring a 2022 program. This is an exceptional opportunity to put your company's brand in front of key Northwest defense and security industry leaders. By sponsoring a PNDC event, your organization can gain visibility and build relationships with Presidents, CEOs, senior executives, and management staff. Your sponsorship reinforces your support of our region's economy and our nation's security.

PNDC Members save at least 25%. Please contact Karlee Keith karlee@pndc.us 360.789.6263 | 888.701.7632 for more information on our programs and sponsorship opportunities.
