CYBERSECURITY FORUM | March 9 | 9:00 AM - 10:30 AM (PST) | Online

The Pacific Northwest has been the site for a pilot program to help manufacturers comply with cybersecurity requirements. Based on feedback from this program, we are launching a monthly check-in to provide relevant information... **and lots of time for your questions to be answered by our cybersecurity expert panel.** The content will be targeted to both management and technical staff working toward cybersecurity compliance with the Department of Defense's Cybersecurity Maturity Model Certification (CMMC) and other cybersecurity efforts.

This program is supported by [Impact Washington](#) and Pacific Northwest Defense Coalition (PNDC)

HASC Chair Smith Says Higher Defense Spending On the Way, Ukraine Invasion Made Budget 'More Complicated'

"Russia's invasion of Ukraine has increased bipartisanship support for foreign policy on Capitol Hill, reemphasized the value of alliances and partnerships and will certainly boost the upcoming Pentagon spending request" U.S. Rep. Adam Smith (D-WA), chairman of the House Armed Services Committee, said on Thursday.

Without speculating on how much the Fiscal Year 2023 defense budget request will rise, Rep. Adam Smith, (D-WA.), said the revised request for supplemental spending for COVID-19 relief and humanitarian and other assistance to Ukraine is now \$32 billion.
