### BREMERTON-OLYMPIC PENINSULA COUNCIL OF NAVY LEAGUE OF THE UNITED STATES REQUESTS YOUR SUPPORT

In a release from Robert Battin, President, Bremerton-Olympic Peninsula Council of the Navy League of the United States, he states “US Navy SEALs have been using Puget Sound for Cold Water training for decades. Designated State parks are ideal locations to practice covert Insertion and Extraction exercises, while remaining undetected and leaving no trace. Their permit to use the parks expired last year. The Washington State Parks and Recreation Commission approved a new operations permit but have not issued it pending a lawsuit.” Please consider attending the **Washington State Parks and Recreation Commission (WSPRC) public meeting on January 27, 2022, at Fort Worden State Park in Port Townsend** to voice your opinion. Details at:

### THIS WEEK'S SUSTAINING MEMBER SPOTLIGHT:

#### **Totem Technologies**

Totem has over a decade of experience securing and monitoring US Government and DOD IT systems, including classified and controlled unclassified information (CUI). Totem does a lot of cybersecurity work for the federal government, but their passion is helping other contractors with Cybersecurity Maturity Model Certification (CMMC) and NIST 800-171 compliance.
